Subject: Resolution of Violation

Dear Mr. Lorentz:

Thank you for your April 27, 2018 response to Ohio EPA's February 23, 2018, Notice of Violation letter regarding the sanitary survey conducted on January 10 and February 8, 2018.

Ohio EPA has reviewed the documentation that you provided and determined that Belpre City PWS has now resolved all violations discovered during the sanitary survey. To ensure that all violations have been addressed, I have included Belpre City PWS's response for each violation and its status.

Resolution of Violation

OAC Rule 3745-85-01 Contingency Plan

On April 27, 2018, Ohio EPA received Belpre City PWS's email which included a copy of the city's updated Contingency Plan. Therefore, this violation has been resolved.

Please note that this does not preclude the Director from seeking administrative or civil penalties pursuant to Ohio Revised Code section 6109.23 or 6109.3 for the violation noted in the February 23, 2018 NOV letter. The decision on whether to pursue or decline to pursue such penalties regarding this violation is dependent on several factors, one of which is the system's future compliance with Ohio EPA regulatory requirements. If you have any questions, please contact me at (740) 380-5274.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Hart".
